

■ The Diversity and Independence of the 7th-term Board of Directors :

(1) Diversity of the Board of Directors:

Skill Matrix of Board of Directors:

CDF's Board election, comply with the Article 16 of the Articles of Incorporation, is adopting a nomination system. In order to promote the sound development of the structure and functions of the Board of Directors, the Company's Corporate Governance Best Practice Principles has established clear guidelines in the selection of Board members. Besides mandating that the seats of directors who concurrently serve in managerial positions at the Company can not account for a too high proportion of all Board members, the selection of directors should take into account the "basic conditions" of directors in terms of their own operation, business model and development needs (including gender, age, nationality, culture and race, etc.), as well as the diversity of professional knowledge and skills (including professional background, professional skills and industry experience), and in order to achieve the ideal goal of corporate governance, it is desirable that directors generally have the necessary knowledge, skills and abilities to perform their duties (including operational judgment ability, accounting and financial analysis ability, operating management ability, crisis management ability, industry knowledge, international market outlook, leadership ability, decision making ability and risk management knowledge and ability); at the same time, in order to ensure that independent directors objectively exercise their duties, the independent directors of the Company should not serve more than three consecutive terms. In order to realize the principle of diversity in the Company, the diversification objectives of the members of the Board of Directors are planned as follows: (1) at least one director with industry experience in banking, securities/insurance and venture capital; (2) the number of Directors serving concurrently as the Company's managerial officers is no more than one-third of all Directors; (3) no less than one woman; (4) at least three directors in the fields of marketing and strategic planning, risk management, finance/financing, corporate governance, business and marketing, information technology, and international experience; and (5) the independent directors of the Company should not serve more than three consecutive terms.

The Company's directors serve a term of 3 years and the 7th-term Board began on June 14, 2019 and will end on June 13, 2022. There are currently 9 directors, including 3 independent directors and 1 natural person director. The number of independent director seats amounts to 33.33% of the Board of Directors and the number of consecutive terms of office of the 3 independent directors does not exceed 3. 3 directors concurrently serve as managers of the Company or its subsidiaries (33.33% of the number of directors); 3 of the 9 directors are foreign nationals, 1 is a female director, the average age is about 59 years, and the average term of office is 5.1 years. Board members come from a diversified background, including financial, industrial, and academic sectors, and have abundant practices in operations and management, as well as ample international experiences, professional knowledge, skills, and accomplishments. The composition of the Board of Directors is in line with the diversification objectives disclosed above, and the actual situation is as follows:
